This Week's News -

Thank you to those who have supported the school and the Parents Association by allowing Brown & Brand to erect advertising boards for our fireworks event. The school benefits financially from this as Brown & Brand make a donation to us, they also advertise our event which is open to the general public as well as our families. Tickets for the firework display will go on sale soon, this is always a fabulous family event.

I am pleased to announce that Dolphin Class had the highest number of children choosing to stay for a school lunch yesterday. They will have the opportunity to come up with some ideas for their treat, once this has been decided we will let you know. Thank you for your support.

The children had their individual photographs taken yesterday, I would like to say how much we appreciated the members of the Parents Association who were in school for a large part of the day yesterday. They ensured that the day ran very smoothly, their help is invaluable on days like these.

I would like to say a huge thank you to the PA for their recent donation which enabled us to update and improve the playground markings. The children have really enjoyed them this week and I hope you agree that they have improved the area.
