Do you like the picture?

Why? If not, why not?

How do you think the picture was made?

The Snail
by
Henri Matisse

Matisse used painted pieces of paper to create 'The Snail'. He passed the pieces of paper to his assistant who pinned them onto a big piece of white paper. When Matisse was happy with where the pieces of paper were he lightly stuck them down.

Can you create your own version of 'The Snail'? Take a picture and put it onto Seesaw.
