## Newsletter No 31 - 26th May 2023

### Message from Mrs Fynn

I can't believe that we have reached the end of another half term, time really is flying! The progress that the children have made since returning from Easter has really blown me away.

I would like to offer my thanks to all of you that were able to attend Sports Day and our picnic today and make it such a success.

As you may have seen on our Facebook and Instagram, we've had quite a busy couple of weeks with trips, Nursery visited the Sealife Centre last week and earlier this week Reception spent time exploring Barleylands. On both occasions the children's behaviour was exemplary and a fantastic day was had by all. Once again, I'd like to thank both the staff and parent volunteers who enable us to be able to provide these opportunities for the children.

Next term, we will be continuing our Growth Mindset focus and continuing with our busy learning schedule. We'll also start to turn our focus to transition our new classes, or new school. We will keep you updated in this newsletter with our plans and the dates that key events will take place on.

Wishing you all a lovely long weekend break, or longer if you're lucky enough to have the full week off. We look forward to seeing the children back and rested on 5th June.

Nursery - healthy

Reception - create

Year 1 - concentrate

Year 2 - organise

### Health & Safety

A polite reminder that children should be not be allowed to play on the school gym trail equipment before or after school. Our insurance only covers the children being supervised by school staff. Also, we would appreciate it if you could leave the school site promptly upon collecting your children. After school club are increasingly using the playground in the good weather so we need to secure the site as soon as possible at the end of the day.
