Performances -

This week, each of the Reception classes completed their class performances to families. I was lucky enough to be able to attend all of the performances. This was the first chance that the children have had to perform in front of their families and they did fantastically well! I would like to thank everyone who was able to attend - your attendance made the performance even more special for the children.

Year 1 have been practising very hard this week and I am looking forward to their performances next week. If you are a parent in Year 1, Year 2 or Nursery and have yet to order your tickets for the event, please complete the form using the link below and your tickets will be sent home to you.

The 2 John's E Safety Training -

I am pleased that I am now in a position to provide parents with more information about the 2 John's E Safety Training for parents which will take place on Zoom. The free, informative session will be held on **Wednesday 29th June 2022 starting at 8pm**. A link for the session can be found below.

<https://us02web.zoom.us/j/82101512117>

The children and staff will also complete sessions with the 2 John's during the week beginning Monday 20th June. I must say that the training by the 2 John's is the most informative and eye-opening training I have completed. I try to attend their sessions regularly as they always have the most up-to-date information and advice. They clearly identify the risks posed to our children (many of which are horrifying) whilst also providing sensible suggestions linked to how we can further protect the children whilst navigating the digital world around us.

Mrs Reader will send out a separate flyer for the session which sets out what will be covered in the parent session. I hope many of you will be able to join the session.

INSET Day reminder -

On Friday 24th June 2022 and Monday 27th June 2022 the school will be closed to all children for the school's final two INSET Days of the year.

Updated contact details -

Some parents have raised concerns that they have not been receiving emails from the school. After investigating these incidents, it has transpired that we didn't have the updated contact information for the parents. If you have a change in postal address, email or contact number, please complete the form below which is also always kept on the school website in the Forms section. This will enable Mrs Reader to ensure your details on our system are always kept up-to-date.
