### This Week's News:

**Transition Days** - Next Tuesday and Wednesday, the children will be completing transition events in their new classes. These sessions are designed to allow them to meet the adults who will be working with them next year. The sessions will take place in their new classrooms. When the children leave school on Tuesday they will have a letter informing you who their teacher will be as well as a letter from their new teacher.

**Open Evening** - On Tuesday night, the children will also bring home with them information about how you can speak to your child's new teacher. Open Evening is unable to be completed in its normal format; however, parents will have the opportunity to sign up to a five minute Zoom session with their child's new teacher. It is my hope that this short discussion will allow parents to put a name to a face, ask any questions you may have about the coming year and share any information you feel is needed. If you require more time to meet with your child's new teacher after this meeting, my team will be happy to meet again.

## News Continued...

**Sports Day** - The current guidance will allow for Sports Day to go ahead albeit in a very different format from normal years. The plan is to complete the event in year groups throughout the day on Friday 9th July. Each Year Group will complete their session during the times set out below:

- Reception - 9:15am - 10:15am
- Year 1 - 10:30am - 11:30am
- Year 2 - 1:40pm - 2:40pm

Nursery will complete a separate event on Tuesday 13th July - details about this event have been sent out by Mrs Bennett this week.

Each class will be split into 2 groups of 15 children. Each group will complete 6 different timed activities in areas marked around the field. Up to 2 people, including younger and older siblings, can attend the event per child. Children who currently attend the school's Nursery (Explorers) will be able to attend the Nursery whilst you are watching their sibling during the Sports Day event - this will have no cost implication on parents. To ensure that we are COVID compliant (no more than 30 in a group outside) we will not be able to admit more than two. From discussions I have had with some parents, I know this is going to be difficult; however, these rules cannot be changed. Many schools have either cancelled the event or are completing it with no parents in attendance. Throughout this pandemic, my team and I have been determined to complete as many events and activities as possible; however, safety for all and following the current guidance is a must. Tickets will be needed to enter the event - these will be numbered and collected when entering for Sports Day. Once you receive your ticket, please add the information that is asked for on it and give this to a member of staff on the gate on the day of the event. These tickets will then be used for contact tracing purposes.

To request tickets, please complete the online form below -

<https://docs.google.com/forms/d/e/1FAIpQLSd8sl3JK8xvAylQxZVn8c66Bih5XDvO7oiaPly1SZjsNftYzg/viewform?vc=0&c=0&w=1&flr=0>

Alternatively, you can call Mrs Reader who will complete the form with you over the phone. Further information about Sports Day can be found in the letter sent home on 15 June 2021.

## E-Safety

**E-safety** - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.

For further information on this and other games please follow the link: <https://www.net-aware.org.uk/networks/?order=title>

Or alternatively you can find further guidance and support on the school's website: <https://www.hadleigh-inf.essex.sch.uk/web/esafety/>

**App Name:** Bigo

**Official age rating:** 18+

**App information:** Bigo Live is a free app and website which is used for livestreaming with others around the world. You can also interact with people nearby and the app openly promotes contact with strangers. Streamers use voice and video chat and viewers are able to interact with the streamer by text chat and awarding gifts (in-app purchases).
