

# Character Description

Choose one of these characters and write some description sentences to describe the character. You can give your character a name and use that as the title.

Remember to use:

- full stops and capital letters
- adjectives and expanded noun phrases
- different sentence openers
- common exception words
- check your spelling carefully

Think about what the character's personality might be like and how they might behave.

You could also try and use commas or possessive apostrophes.

# Example:

## Sonic the Hedgehog

This is Sonic and he is an awesome, cool hedgehog. He has many large, blue spikes that flow down his back. On top of his head are pointy ears that help him to hear. Sonic's gloves are white and keep his hands protected on missions. He also has green eyes, a black nose and a cheeky grin!

Sonic is a busy hedgehog. He might look small but he is very brave! You'd need to be a fast runner if you wanted to beat Sonic in a race!
