News ...

Christmas - Christmas started with our festive Christmas Fayre last Saturday. Thanks to everyone who supported this important event in our school calendar. Special thanks go to the PA who devoted lots of their time preparing for, running stalls and clearing up after the event. Your hard work is really appreciated.

There were lots of excited children on Thursday when we officially started Christmas in school. Our pigs in blankets lunch went down well and the children enjoyed their festive Daily K. The classrooms are already ringing with the songs being practised for the Christmas performances.

Thank you to Stibbards who donated the tree we have decorated at the front of the school.

If you haven't already booked your child's Christmas dinner on 14th December the deadline is **5pm tonight (2nd December)**. Other forms you have been sent to complete are Bedtime Stories (deadline **5pm tonight**) and Christmas Performance tickets.

Also please remember to let your child's class teacher know via SeeSaw whether to expect you for the Parent Christmas workshop on **Tuesday 6th December** from 2.45pm.

Cost of living support - we know that there are families across Essex who are currently struggling with the rising cost of living. Colleagues have pulled together a special newsletter which gives information on some of the support you may be eligible for which you can find when you use this QR code.

You can also find out more about the Cost of Living Hub via a link in that newsletter.

School Admissions - Applications for Reception Year and Year 3 Junior School September 2023 intake will be open until 15th January 2023. The following link gives you all the information you need to know about the process: www.essex.gov.uk/admissions. Please ensure you apply before the closing date as late applications could mean your child misses out on a place at your preferred school. You must apply even if your child attends our Nursery or is in Year 2 at the Infant school and is transferring to the Junior school. We have attached an admissions brochure which explains the whole process.

Medication - If you require the school to administer medication to your child please complete the form via the link below. To make the administering of medication manageable it is all given around lunchtime.

Absence Reminder - You are able to report your child's absences using an online form. This form can be accessed using the link below:

Alternatively, the school can still be called on 01702 557979 and a message can be left on the voicemail. To assist the school in effectively fulfilling its role in safeguarding children, I would ask all parents to record absences as soon as possible.

Change of Contact Details - Please make sure that you notify us of any changes to contact details. This will ensure that we can make contact with you when necessary. To inform us of any changes, please complete the form via the link below;
