

Q Pootle 5 Maths

Look at the party food that Q Pootle 5 ate at Z Pootle 6's party.

Look at the information on the chart about the party food and answer the questions.

You can write the answers down on paper if you want to.

Have a go at the challenge at the end.

Remember to count carefully!

At the party of Z Pootle 6 there was lots of different party food to eat. Look at the party food. What food is there? What would you like to eat?

Rocket
Jelly

Star Biscuits

Moon Balls

Planet
sweets

UFO cake

Delta wings

Look at the chart below. This chart shows you how many of each item of party food was eaten. Can you answer the questions about the chart on the next page?
