

Today we are going to learn about sharks.

Do you know anything about sharks already?

You can watch this film to find some information - you might want to watch it more than once and if you are watching it with someone else you might want to pause the film now and again to talk about what you have found out.

You could also watch this Octonaut story which has some shark facts in it too. Can you spot the facts?

Write a sentence about the shark

It has.....

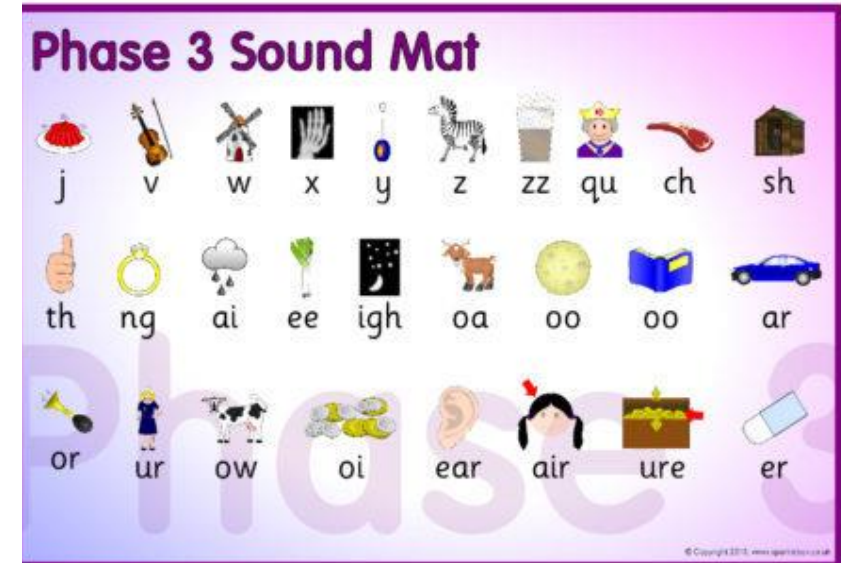

It is.....

You can use this picture to write about
or draw your own shark.

Parents - please see notes on next page.

Phase 2 High Frequency Word Mat			
a	on	his	go
dad	up	to	an
I	back	him	as
mum	if	had	can
big	but	in	off
it	of	no	not
at	into	got	get
is		the	and

Note to parents/carers - please encourage the children to use the sound mats and words in their packs or use the above.

- Some children may want to use the template from the previous slide to support them using It is....It has....
- Some children may want to write with you and you act as the 'writer/scribe' and then when it comes to words like 'it' 'the' - words that they know they could write these words down. Have fun!
- Challenge - extend your sentence eg
It has a long tail because it helps it swim through the water.
