What lives in the ocean?

a b c d e

Phonics:

- Watch the alphabet song and have a go at writing the letters: Kidstv123, alphabet song: <https://www.youtube.com/watch?v=ffeZXPtTGC4>
- Watch the films on Espresso: Polly's phonics: "or" Scrap's phonics "qu"
- Now do the pages in your book: Book 3: pages 26 and 27 Book 4: pages 20 and 21

Handwriting:

- Can you write the letters from the one arm robot family: h, b and k. Watch the letters being written and then have a go. You could use a pencil or a colouring pencil, you could use a paintbrush and water outside.
- At Hadleigh we write the k with a loop as in the film. <https://www.youtube.com/watch?v=cNSLIFwkUOE> today's letters start at 36 secs and finishes at 55 secs or you can use the website we used last week: <https://www.doorwayonline.org.uk/literacy/letterformation/>
- If you want sheets with the letters as they are in the first film then you can find them here: <https://www.sparklebox.co.uk/thumbs606-610/sb606prev.html>

Maths:

- Watch the months of the year song from Singing Walrus: <https://www.youtube.com/watch?v=Fe9bnYRzFvk&vl=en> Can you remember the names of any of the months?
- Do you know the days of the week? Have a go at saying them. Now check using the song from Singing Walrus: <https://www.youtube.com/watch?v=mXMofxtDPUQ&vl=en>
- Now watch the lesson from Oak Academy: Exploring the days of the week: <https://classroom.thenationalacademy/lessons/exploring-and-discussing-the-days-of-the-week/activities/1> If you would like to you might make a calendar like the teacher made in the lesson, it is up to you.
- Some people who cannot hear well using sign language. See if you can learn to sign some of the days of the week using the separate British Sign Language film.

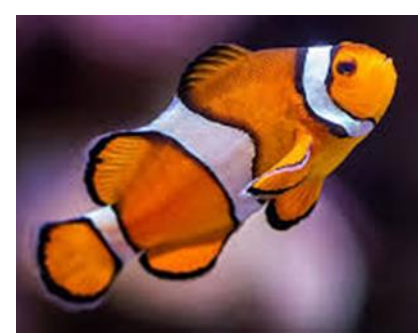

Curriculum: Finding out about (researching) sea creatures and clown fish in particular - see separate document.

Maths:

Count from 0 to 20 and back again. Use the song to help you: https://www.youtube.com/watch?v=srPkt4k_O8 Now try counting back from different numbers to 0 - use your numberline to help you.

Today we are going to do some taking away or subtraction. Firstly watch the film on Espresso to help you: Subtraction facts within 5: after lifeboat practice

https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item743339/grade1/module736870/index.html

Now using the fingers of one hand to be the passengers in the boat, how many ways can you take away the passengers? Here is one to start you off: $5 - 1 = 4$. Five take away one is / leaves four.

Curriculum: On Monday you learnt about clown fish. If you need to re-read the information in the clown fish information document. You might have done some writing about clown fish on Monday or you might not. Today you can choose to either write some information about clown fish or if you wanted you could write a story about your clown fish. Think about stories you know to help you. You could watch the clip from Finding Nemo about when he starts school: <https://www.youtube.com/watch?v=eWXOurnVTYg>
