Thank you - I would like to thank the members of the PA and those who have supported the PA events this year. The money that has been collectively raised this year has been spent in the past few weeks. Firstly, I put £4,000 of the donated funds towards the new playground equipment. This equipment cost the school £10,000 and without the money that has been raised it would have taken the school much longer to hit the amount needed to move ahead with the project. I have also spent £1,300 on resources for International LEGO Day which will take place on Friday 28th January 2022. The children in each year group will be provided with opportunities to complete an activity on International Lego Day using some of the resources that have been purchased. It is my hope that the resources will also be used in the future to support the school's drive on inspiring all children to positively interact with STEM (Science, Technology, Engineering and Mathematics) activities.

Census Day - Next Thursday is Census Day, this is the day when the number of pupils having a school lunch is recorded and reported. The number reported determines the school's funding for the following year. We would ask that all parents encourage their children to choose to have a school dinner, rather than bringing in a packed lunch from home. Next Thursday the children will be able to choose between the following options Pizza (Cheese or Pepperoni) served with Chips and Mixed Salad or a Jacket Potato with Tuna Mayo, Cheese or Baked Beans with Mixed Salad. All options will be served with a Dairy Free Marble Cup Cake. I would like to thank parents in advance for their support with this matter.
