

# Nursery News

## April 2021

### Topics

The topic in Nursery from 26<sup>th</sup> April for 2 weeks is "Occupations". Following that we will begin learning about "Insects".

### Welcome

It has been lovely to welcome some new Explorers into our Nursery this term. They have settled in well and are quickly making new friends.

### Occupations

If you have an Occupation that you think may be of interest to the children, particularly if you wear a uniform, we would love to see some photos or even to arrange a Zoom session with you. Please speak to Mrs Bennett if you would be willing to support the children's learning in this way.

Thank you

### Around the World in a day 30<sup>th</sup> April

The Nursery will be participating in this event, along with the rest of the school. We will be learning about England. Our day will include looking at some traditional events as well as sharing some food treats.

As not all Explorers will be in school on that day we will also been sharing some of the learning (and eating) with our friends during the following week.

### Parents' Evening

Thank you for signing up for your Parents evening appointment. The details of the Zoom link will be available via eSchools.

### Reminders

- Please ensure all water bottles and packed lunch boxes are clearly labelled.
- Water bottles should contain water only, no juice or squash please.
- Please send in coats every day until the weather is consistently warmer. We are spending a large proportion of the day outside.
