Parents' Evening -

Today parents should have received a letter regarding the first parents' evening of the year. This year, we will be trialling providing parents the option to attend in person or complete the session online via Zoom. Generally, the school's internet managed the online meetings successfully last year; however, considering the potential problems we may face, if we are unable to connect to the meeting for any reason, we will call you at the appointment time that you sign up to.

This year, our Parents' Evening meetings will take place on **Tuesday 19th October and Thursday 21st October** for all Reception, Year 1 and Year 2 classes **apart from Satellites which will take place on Monday 18th October and Tuesday 19th October**. The meetings are designed to offer you an opportunity to discuss the academic and social progress that has been made since the beginning of the year by your child (ren) with his/her class teacher.

Additional Homework Books -

Thank you to everyone who completed the request form for the additional homework books this year. These have now been ordered and will be sent home with the children at the beginning of next week.

Census Day Special Lunch -

I would like to thank everyone who encouraged their children to have one of our special dinners yesterday. The uptake was huge which will make a big impact on our level of ongoing funding from central government. I would also like to thank Mrs Kent, Mrs McEntaggart and Mrs Earland for their efforts in ensuring that the increased number of lunches were still cooked, served and consumed with no impact on our usual outstanding service.

E-safety -

Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access. For further information on this and other games please follow the link: <https://www.net-aware.org.uk/networks/?order=title> Or alternatively you can find further guidance and support on the school's website: <https://www.hadleigh-inf.essex.sch.uk/web/esafety/>
