Biggest

How many different ways can you make 20p?

You can move the coins to help you.

Remember, you can write $20 \times 1\text{p}$ instead of adding.

1. I had 12p in my purse and picked up 50p from the floor.
How much do I have now? Show your number sentence.

2. Quarter went to the bamboo shop and picked 2 that she wanted.
One cost 43p and the other cost 24p. How much was is altogether?
Show your working out.
