News ...

Kool Kids Café Summer Menu - Please note there are some amendments to our menu. A revised menu has been uploaded to the website, next weeks menu is also on the first page of this Newsletter.

After School Club - Due to the lack of demand at the end of each term, the school will not be running the After School Club on the final day of the year - Thursday 21st July 2022. If you would like to discuss this arrangement further, please do not hesitate to contact Mr Proctor via the school office.

The 2 Johns event - I would like to thank all of the parents that were able to attend the 2 Johns session linked to Online Safety. From the discussions I have had with parents, it would seem that those who attended found the session very informative. A video of the session can be accessed for the next 30 days using the link below:

If any parent would like further advice or support with topics linked to Online Safety, please contact the school and a member of staff will be made available for you. Alternatively, parents can access the 2 Johns website using this link - <https://esafetytraining.org/resources/parents-carers-area/>. The site provide parents with a range of guidance and information linked to areas such as: Screen Time, Gaming and Social Media.

Nursery Performances - This week saw the Nursery children complete their class performances. Unfortunately, I was unable to attend either of the performances; however, I have spoken to the Nursery staff who have informed me of just how amazing the children were. I would like to congratulate all of the children for their fantastic performance. I know Mrs Glanville and the rest of the staff at HINS are looking forward to seeing all of your future performances. Thank you again to all the adults that were able to attend, your attendance always means so much to the children. Our final school performances will be completed by Year 2. If you have yet to book tickets for your child's performance, please complete the Ticket Request Form using the link below:

Events taking place next week - Next week the children from Nursery to Year 2 will be completing a range of events. On Tuesday the children will complete a an 'under water walk'. Each class has been learning about a different sea creature and will be turning their classroom into a Sea Life Centre for the other children to explore. By the end of the day, all of the children would have visited 9 other classes and will hopefully come home with some interesting facts.

Wednesday will see the Poetry Competition return. The children in each class have been learning two poems to perform to the rest of the school. After all of the performances have been completed. The children will vote for who they thought were the best. There will be several awards presented at the end of the day. The wining children/classes will be published next week.

Finally, **I would like to ask that all children attend school on Thursday in the PE kits.** As a reward for the school winning a BATIC Santa Run competition, the children will get to participate and enjoy a Commonwealth Games session with four PE coaches.
