News ...

Census Day -

Next Thursday is Census Day, this is the day when the number of pupils having a school lunch is recorded and reported. The number reported determines the school's funding for the following year. We would ask that all parents encourage their children to choose to have a school dinner, rather than bringing in a packed lunch from home. This year we have once again decided to have a McHadleigh theme. For lunch the children will be able to choose between a Beef Burger or a Haloumi Burger. This will be served with chips, a muffin and a milkshake. I would like to thank parents in advance for their support with this matter.

End and beginning of the day -

I would like to ask all parents to ensure that the children do not use the play equipment on the play ground or in the EYFS garden before or after school. There are several reasons for this linked to Health and Safety as well as ensuring that the EYFS learning area is ready to be used by the children as soon as they are able to access it. Unfortunately, I have been made aware of a few incidents where children have fallen and hurt themselves before and after school. Thank you in advance for supporting the school with this matter - I know some will be disappointed that the equipment cannot be used but this is for the safety of the children.

Collecting children at the end of the day -

If anyone apart from yourselves (as parents) are collecting your child from school, please ensure their details are clearly recorded on the form below. If this form is not completed, we will require verbal consent to allow them to leave the classroom with the adult rather than you.

E-safety - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.

For further information on this and other games please follow the link: <https://www.net-aware.org.uk/networks/?order=title>

Or alternatively you can find further guidance and support on the school's website: <https://www.hadleigh-inf.essex.sch.uk/web/esafety/>
