

Nursery News

October 2018

Reminders

The children have generally settled in very well. Many thanks to all those parents who have named all items.

We would be grateful if everyone could check on items of clothing and water bottles please. Also lunch money needs to be in a named envelope please to ensure that it is credited to the correct account.

Thank you

Fireworks

The topic in Nursery during the first 2 weeks after the half term holiday will be Fireworks. We will be talking about the sights, sounds and smells related to fireworks.

Parent/Teacher Meeting

The Nursery parents meetings will be held in the Learning Mentor's room. Please wait in the main reception area for day time appointments and outside the room, in the corridor for after school appointments.

There are still some day time appointments available for anyone who has not made one yet.

Parent Workshop

The first of this year's Duckling's Parent workshops will be held in the Nursery at 8.30am on Wednesday 17th October.

The theme will be Fine Motor Skills and all children and parents are welcome to attend. If your child is not usually in on a Wednesday morning please ensure that you write on the signing in sheet.

If you have older siblings they are welcome to join the Breakfast club in the school hall at 8.30am and they will be taken to their class from there.

Daily K

Along with the rest of the school the Ducklings have been walking the Daily K around the school grounds. Some of our children will be coming home with a certificate soon to confirm that they have completed 10K. Please ensure that the children are wearing appropriate footwear for walking in the grass and have coats for the cooler weather. These are essential in Nursery as we also use the garden every day.

Thank you
