This Week's News:

Year 2 Trip to Colchester Zoo

Year 2 had a very enjoyable trip to Colchester Zoo on Tuesday, we felt very lucky that we managed to avoid the rain! We had a very informative talk about the Rainforest delivered by an expert, she was very impressed by the children's knowledge of the layers that make up the Rainforest and of the animals that live there. We saw a range of creatures, the small but mighty Leaf Cutter Ants were hard at work, some of the children felt brave enough to hold or touch the Giant Stick Insect, we visited the Anaconda and some of us were lucky enough to catch a glimpse of the sloth.

Hadleigh Gardening Association Summer Show this Saturday 15th June 2-4.30pm -

The Gardening Club hope you are enjoying the lovely pots they have planted up outside the classrooms. This week as part of our links with the Community we are going to enter into the Hadleigh Gardening Association Summer Show. The Hadleigh Gardening Association have three shows throughout the Year – Spring, Summer, Harvest. For the Spring show we submitted our bookmarks and a daffodil, we got a first, second and third possibly leading to a 'cup' at the end of the year.

To enter the 'Junior Classes' of the Summer show the children can submit a creation made from Lego and a model made from Junk. The Gardening Club's creations will be representing our school at the show.

If parents/carers are out and about this Saturday and would like to pop along to the Summer Show there will be lots of roses, floral arrangements, pot plants, vegetables, handicrafts and of course our Lego creations on show. It is at Hadleigh Methodist Church, Chapel Lane 'Youth Hall' pop along any time from 2pm – 4.30 pm. Entrance is a £1 for adults and free for children. Tea and cakes will be available and there is also raffle.

Summer Games Festival Reminder -

The children, who were successful in gaining a place in the Summer Games Group, will need to be collected from the school office at 12:45pm on Tuesday 18th June. The children will have their lunch at school and will be changed ready for you to collect them. Members of staff will be waiting at Deanes Sports Centre (top car park) for 12:55pm. Please ensure your child has a water bottle and that any long hair is tied up. The festival will finish at 3:00pm. We ask that parents collect their children promptly from the Deanes Sports Centre (top car park) at this time.

Daily K -

We are under 3000 kilometres below our yearly target of collectively walking around the world (44,000 km) as part of our Daily K Challenge. Next week, many of our children will be bringing home their 150km certificates. I am extremely proud of all of the children and staff's contributions to this challenge. I will keep parents informed once we meet our target.
