News ...

We are sad to announce that Mrs Hutchinson-Khupe is leaving us this week but pleased to say she is moving on to a promotion working for a local Multi Academy Trust. A lot of her work is done behind the scenes supporting Mrs Cain and the head-teacher, ordering supplies and too many other responsibilities to mention. She was also a vital element in our COVID response and has often stepped in to support Nursery lunchtimes when needed. She's an all-round superhero and will be missed. We want to thank Mrs Hutchinson-Khupe for everything she has done for the school and families over the last few years and we wish her good luck in her new role.

Mrs Davis has been appointed to the Business Support role in Mrs Hutchinson-Khupe's place so will be leaving Moons class. Mrs Banham will be working in Moons class for the rest of the academic year, alongside Mrs Axcell, and has already had several chances to get to know the children this half-term. We hope they will both enjoy their new roles.

Thomas the Gorilla came for a visit on Wednesday. There were two separate assemblies for KS1 and Early Years where some children got the chance to tickle his hand or have a hug and others were brave enough to try to get past a blind-folded Thomas to collect a ball, hoping that he couldn't hear or smell them. During the rest of the day Year 1 and 2 classes worked in groups with a green screen to make short animations of their group and Thomas or other animals in the rainforest. It was a great day with wonderful cross-curricular learning about conservation, science, drama and computing.

This afternoon our Conservation / Recycle Week concluded with an exhibition event. Each class displayed lots of the work they have done this week in their rooms and all the children walked around each class in turn to see the whole variety of work. There were bird feeders, robots, sensory boards, rainforest models, eco-bricks, posters and all kinds of writing from labels to information sheets.

Have a fabulous half-term break and see you back on 31st October dressed in your magic themed clothes.

National Magic Day - Our first day back after half-term on 31st December will be a non-uniform day. The theme has been chosen to match our National Magic Day which we will be celebrating in school. In return for coming in non-school uniform donations are welcome for the Christmas Fayre. Please see the poster for more details.

New Winter Menu - We have a new menu starting after half term on 31st October. We return on Week 1. You will be able to find the new menu under Kool Kids Café - Winter Menu 2022/23 on the school website . It is also attached to this newsletter.

Telephone lines—We apologise for the problems you may have encountered with our telephone system this week. Thankfully we were able to divert one of our phone lines to the school mobile phone so most parents who needed to were able to contact us. Thank you for using seesaw instead as needed. We have done everything we can our end so hopefully the problem will be resolved by BT soon.

Little Wandle - Please see the attached leaflet from Little Wandle. It provides some pointers to parents about the importance of reading stories and a few tips for reading together.
