This Week's News:

Around the World in a Day - The Children have really enjoyed learning about the different countries in Around the World in a Day, some have even had the opportunity to try foods from the countries they learnt about. Next Friday, each class will present what they have learnt to the rest of the school via video link. After this sharing event, the children will receive a small memento to keep to remind themselves of the time they went around the world in a day!

News Continued...

Don Sheppard Charity Day - Speaking with the children, I know many children are looking forward to next Tuesday. On Tuesday 4th May 2021 the school will be holding its first ever Don Sheppard Charity Day in conjunction with Hadleigh Junior School. As part of our special day, each class has chosen their own special event. These events include: a festival themed day, a funfair themed day, a Christmas themed day and a huge water fight. All parents should now have received information via eSchools and SeeSaw regarding their child's class special day. If you have any questions linked to the charity day, please contact an adult from your child's class. It is our hope that all of our individual events will raise lots of money for Don's chosen charity Prostate Cancer UK. Both Schools will total all received funds and the school that has raised the most will win the Don Sheppard Charity Day shield. I would like to thank you all in advance for your support linked to this event.

Parents Evening - Thank you to everyone who has attended our Parents Evenings, we hope you enjoyed the opportunity to discuss your child's progress at school.

COVID-19 Update - Everyone should have received an email today linked to an update on the school's response to COVID-19. If you have yet to receive this, please use the link below to access the letter on our website.
