

Nursery News

December 2020

Merry Christmas

It has been a very unusual, but enjoyable, term for the staff in Nursery this year. It has been lovely meeting and getting to know your children. It is unfortunate that we were not able to share the end of term celebrations with everyone but we hope that you will all have a lovely family Christmas.

There are folders of work and a small present still in Nursery for any children who were not in school.

Topics

The topic in Nursery during the first week back will be "Numbers"

During the next week we will be learning about the weather.

We will then move on to "Transport" and "Occupations"

Christmas on Seesaw

Photos and videos of some of the Explorers Christmas activities have been posted on Seesaw. We hope you enjoy sharing in the fun.

Outdoor Activities

We had hoped to have a trip to the woods at the beginning of the Spring term with parents. This will, of course, not be possible in the current circumstances. We would, however, still like to spend some time in the woods, doing outdoor learning with the children.

We would like hold 2 sessions in the woods from the Poors Lane entrance on Wednesday 13th January in the afternoon and Friday 15th in the morning. Each session will be divided into 2 so that the children will have an hour in the woods. This means that on those dates the children will need to be dropped off and collected from the woods and will only have a 1 hour session. Any child that does not attend on a Wednesday afternoon or Friday morning can choose which session to come along to. More detailed information will be sent out in the New Year.

Reception Places

On-line registration for reception places closes on 15th January. If you have not yet applied you will need to do so by this date.
