## News ...

**Don Sheppard Charity Day** - On Wednesday the children and staff in Year 2, Reception and Nursery continued the fantastic fundraising that was started by Year 1 on Tuesday. Over the two days, the children and staff have raised money as part of the joint charity day completed in the honour of World War 2 veteran Don Sheppard. This charity event allowed the children and staff to have fun, be silly and make memories which may last a lifetime. The money raised on Don's charity day will be given to a charity which supports those who have been impacted by the crisis in Ukraine.

I would like to take this opportunity to thank all of the families and staff for their support during this event. At a time when many are faced with challenging financial decisions, your support has been incredible. From my first count, it looks as though we will beat our total from last year. Thank you! As for the staff, thank you as always for going above and beyond to ensure that HINS is a place where memories are made and children are inspired.

For myself and the rest of the HINS team, Don represents all of the values we want our children to embody. He is a remarkable man who has given his all to our country - he really is a superhero and a friend of the school. Despite turning 102 this week, Don is still determined to support the school and teach the children about a very important time in the world's history. Don has been and continues to be an inspiration to all of us. In a world full of social media, overnight fame and negativity, Don reminds us all of what is really important. Don has the ability to captivate not only the children but all of the adults too. I watch the faces of children and staff when he talks and I can see them remembering important figures in their lives - Dads, Grandads and Great Grandads - as he fills the air with his warmth and memories.

### Sponsored Read Winners
