This Week's News:

Don Sheppard Charity Day - The children had a wonderful day on Tuesday, taking part in the school's first annual Don Sheppard Charity Day, enjoying the special events that their classes had chosen for the day which included, a festival day, a superhero day, a Christmas day and a water fight to name a few. All of these events have helped raise lot of money for Don's chosen charity which is Prostate Cancer UK. I will let you know the total raised next week as well as which school has won the Don Sheppard Charity Shield. Thank you again for everyone's support!

News Continued...

Around the World in a Day - Part 2 - The Children really enjoyed learning about the different countries in our Around the World in a Day that took place on Friday 30th April 2021, some even had the opportunity to try foods from the countries they learnt about. This afternoon the children shared what they had learnt by providing their audience with facts and information whilst some classes performed music pieces, poems and dances. Each child should have brought home a passport which you may wish to look at and ask them about the things they have learnt from this afternoon's session.

HINS - Essex Teaching Awards 2021 - This week we received our certificates from the Essex Teaching Awards which recognises and celebrates the inspirational work of the team. This is a great achievement for the entire team - each and every member of my team have and continue to do all they can for the children and families at HINS. The best thing that has come from this current pandemic is that the staff are now even more passionate and determined to make a positive impact for our whole school community - I cannot wait to use their determination, passion and skill to provide the children and families of HINS the most amazing next few years! On behalf of the team, I would like to thank everyone who nominated the school - the school's nominations can be found on our Facebook page.

Water bottles - As the temperature will continue to rise in the coming days, weeks and months, I would like to ask that all children continue to bring in their water bottles. These should only be filled with water and should be clearly labelled. The children keep them with them throughout the day to ensure that they remain hydrated.

Absence procedures - You are able to report their child's absences using an online form. This form can be accessed using the link https://www.hadleigh-inf.essex.sch.uk/web/school_forms_2020-2021/ Alternatively, the school can still be called on 01702 557979. To assist the school in effectively fulfilling its role in safeguarding children, I would ask all parents to record absences as soon as possible.

Change of parent contact information 20/21 - I would like to remind all parents that they can report any changes to their email address, home address or telephone number using the form below.

https://docs.google.com/forms/d/e/1FAIpQLSfemMJVlgNL0nW_UvqnvFTjCuOLpOXmWxPRuNtgJaleJ76qIA/viewform?vc=0&c=0&w=1&flr=0

E-Safety

E-safety - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.

For further information on this and other games please follow the link: <https://www.net-aware.org.uk/networks/?order=title>

Or alternatively you can find further guidance and support on the school's website: <https://www.hadleigh-inf.essex.sch.uk/web/esafety/>

App Name : PlayerUnknown's Battleground (PUBG) Mobile

Official age rating: 13+App information: Like Fortnite, PUBG Mobile is a battle royale shooter and fighting game. Teams of up to 4 players battle to be the last one standing. It contains more gore than Fortnite and there might be some inappropriate content in the chat.
