### **This Week's News:**

**Special events** - It is my hope that we will be able to run special events such as Sports Day, Open Evening and Celebration Assemblies in the coming weeks. These events have been planned and designed to ensure that they are COVID compliant. All events have been adapted to ensure that the level of risk is as reduced as much as possible. Despite the events not running as they usually would, I hope they will continue to be enjoyed by all. I have withheld details linked to the events due to the announcement expected to be made on Monday regarding possible future changes. Once these have been announced, I will release the information. I have decided to do this to ensure that the information is clear and should not be required to change.

## News Continued...

**Don returns** - On Thursday, the children were reunited with Don Sheppard for the first time in over a year. Just Don's presence on the school site was enough to stop lunch time and a PE lesson. The children were so excited to see him they stopped what they were doing to greet and wave at him. This just shows the star power Don has with our young children and awe / respect they have for him. I know it moved Don, his family and staff to see such a reception for the veteran. It is our hope that our teaching and events such as the Don Sheppard Charity Day will keep the memory alive of the sacrifice and difference that Don and his comrades made for us all those years ago. As part of the visit, Don had an opportunity to have photos with children from both schools to celebrate the amazing efforts from all in raising £4,232.43 during our first Don Sheppard Charity Day which has been donated to Prostate Cancer UK. I would like to thank you all again for the support you all gave to this event.

**HINS Food Bank** - The school continues receive a huge amount of donations from local groups and parents. Our support room is still well stocked with items that have been donated. These donations will be available to any of our families who require some additional support. I wanted to remind everyone that as a school community we are here to support you in anyway we can. It is our hope that we can continue to support our families for as long as is needed into the future. If you need any support, please contact Mrs Burls, Mrs Bicknell, Mr Proctor or anyone from the school you feel comfortable to talk to.

**Crossing Patrol** - Essex County Council are looking for a school crossing Patrol for Rectory Road. The role will suit a positive individual who can support their local community but wants a flexible home/work balance. The role pays £11.13 per hour and the contract is a permanent part time (7.5 hours per week) term time only role including 5 weeks paid holiday. Full Training and uniform are provided. For further information please visit [www.workingforessex.com](http://www.workingforessex.com) or email [Schoolcrossingpatrol@essex.gov.uk](mailto:Schoolcrossingpatrol@essex.gov.uk). Please also see the poster attached to the Newsletter.

## E-Safety

**E-safety** - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.
