Join the PA - Meeting on Tuesday 28th September at 9am after drop off

As a Parents Association, we have a lot of fun planning and running our events and we are always keen for new members to join us. Being part of the PA is not only incredibly rewarding, but great friendships are formed too. If you would like to join or just find out more about the things we do, please come along to our coffee morning on Tuesday 28th September in the School Hall after drop-off.

If you would like to get in touch with current members, please email us: hadleighinfantsandnurserypa@gmail.com

Curriculum Meetings

I would like to thank everyone who was able to join the Year Group teachers and I during this past week's Curriculum Meetings. It was great to see so many of you able to join us either in person or on Zoom. The presentations and additional documents will be placed on the school website no later than Monday 4th October 2021. To be able to access the documents, please use the link below:

Additional Homework

If you would like your child to complete additional homework, you can complete the form using the link below. It is my hope that we will be able to provide families with these additional work books by the beginning of October. The additional homework books will be kept at home and can be used by our families as they wish. It is our recommendation that your child completes one page from each book every week. **Please complete the form below by Friday 1st October 2021.**

E-safety - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.

For further information on this and other games please follow the link: <https://www.net-aware.org.uk/networks/?order=title>

Or alternatively you can find further guidance and support on the school's website: <https://www.hadleigh-inf.essex.sch.uk/web/esafety/>

App Name: NewNew

Official age rating: 13+ Net aware age recommendation - 16+

App information: NewNew is a social media app which allows you to connect with others and influence the decisions about their daily life. You can create your own poll to allow others to influence you, and you can vote on other polls to influence what that person should do, what they should eat, what exercises they do and much more.

COVID Isolation Requirements

Please find a simple but informative flow chart below linked to different situations associated to COVID 19. Considering, the time of year it is likely that many children will develop a persistent cough. If this does occur please complete a PCR test before the child returns. It is very likely that the majority of these tests will return negative considering the number of seasonal colds we normally encounter at this time of year; however, a cautious approach will best protect everyone. If you have any questions, please do not hesitate to contact the office.
