This Week's News:

PA News - Once again, our dedicated members of the Parents Association have been working hard on various projects. The Scavenger Hunt was a great success, it raised £640! Thank you to all of you that took part. There were some very nice 'Mystery Objects' received, which some of the children may want back. If you would like any of the items returned, please contact the PA by 22 June. You can email them directly on hadleighinfantsandnurserypa@gmail.com. Any items not claimed will be disposed of. The winners of the Scavenger Hunt were Meerkats class, well done to them, they will be presented with their prize in the next few days.

The Summer Fun Day will take place on Friday 22nd June, don't forget to order your wristbands for the inflatable zone, the deadline for pre-orders is Monday 18th June. The PA have managed to secure some fabulous raffle prizes, restaurant vouchers, family activities, pampering vouchers and many more. Raffle tickets will be sent home with a letter, extra tickets will be available from the school office and will also be sold at the Summer Fun Day.

I would like to take this opportunity to thank every member of the Parents Association. Their continuous hard work and dedication enables the school to fund many projects that positively impact on all pupils.

It is with great excitement that I would like to announce that from September Hadleigh Infants & Nursery School will be completing the Daily Mile. Between now and the end of the academic year, classes will be trialling different scenarios to see how best this can be embedded into the school's curriculum. Everyone at Hadleigh Infants & Nursery School values both physical and emotional wellbeing of all our children, this initiative will allow us to continue to develop these areas.

Parent Forum - This term's Parent Forum will take place on Tuesday 3rd July @ 9am and Wednesday 4th July @ 7pm. Hopefully, these times will enable as many parents to attend as possible. During this meeting, I would like to outline the school's future plans and gain your views, ideas and comments relating to parking. If you are unable to attend the meeting but would like to make a suggestion or share your comments, please send an email to the parents comments email address. parentscomments@hadleigh-inf.essex.sch.uk. Any emails or correspondence received prior to the meeting will be discussed during each session.

On Tuesday 19th June, the children will spend the day trying to solve a mystery. As-creative will be in school delivering CSI Maths workshops to all of the classes. The children will be given a range of clues that have been left at the scene, they'll then use their sorting and numeracy skills to reveal the identity of the miscreant!

Nursery - The children will spend the morning in their Reception class on Thursday 28th June, please be advised that Nursery lunch and afternoon sessions will continue as normal. Parents whose children are normally in Nursery all day on Thursday will not need to collect their child at 11.30am, they will be taken back to Nursery for their lunch and the afternoon session.

Next week's topic in Nursery will be The World Cup. The children are invited to wear football kits on all or some of the days if they wish.
