

Nursery Trip

Tuesday 4th June

Our trip to Belfairs Woods will take place on Tuesday 4th June. We will be having two sessions from 9.30am to 12.30am and 11.30am to 2.30pm.

This trip will continue the "Understanding of the World" theme from our walk in January, looking at the changing seasons and woodland life. We will have a walk, do some bug hunting and possibly some den building.

The timing of the two groups overlaps so that we can have a Nursery picnic (weather permitting)

Parents are asked to select which of the sessions they would prefer. Children who do not normally attend Nursery on a Tuesday will be welcome to come to either one of the sessions. Children who normally stay all day on a Tuesday can also choose whichever session is most convenient. We will need most of the children to be accompanied by a parent or carer in order for this trip to go ahead.

We will meet on the grass area alongside the Woodland Centre in Belfairs Woods.

There will be no school Nursery sessions on that day.

If you have any queries, please speak to a member of the Nursery Team.
