

Geography- **WALT** use compass directions: North, East, South and West.

Let's hunt for treasure! Copy this link to play the game.

This is the game you need to select!

This is the first map that you will be given.

Write down the directions for this first map that the ship had to follow to get to the treasure.

For example:

North 2 squares

East 1 square

South 3 squares

East 4 squares

The maps get trickier as you go along.
You only need to do the first one.

Do your best and have fun!

Use the compass to remind you
which direction is which.
