This Week's News -

I would like to remind parents that any form of abusive or aggressive behaviour, including inappropriate language, within school grounds will not be tolerated. The pupils, parents and staff have the right to attend school without fear of encountering any acts by another person that may cause them distress. Anyone not adhering to this will be asked to leave the premises, with the possibility of a ban being enforced. More serious incidents may be reported to the police.

We currently have 157 children whose attendance is above 96% for this half term. If their current level of attendance is maintained they will be entered into the school's first ever half term's attendance prize draw. Any child who is entered into the draw will be awarded either a Silver or Gold Attendance Certificate. There is still time for lots of children to improve their current attendance to qualify for the draw.

The school will be completing a week of physical and health based activities during the week commencing Monday 19th March. This will form part of the school's participation in this year's Sport Relief. Further details about the week and the activities will be communicated after half term.
