Message from Mrs Fynn

It's been a very chilly but productive week here, thank you for your co-operation in using the other entrances to the School site while the Scrub Lane gate has been closed. I am sure you understand that while this may be inconvenient we have to prioritise safety. You may have noticed that the Bilton Road pedestrian gate is open at the moment, we have called out a company to repair it but would like to reassure you that additional measures have been put in place in the interim to keep the site safe and secure.

Some children have been very busy demonstrating their skills and knowledge in reading, writing and maths quizzes this week and I have heard a few teachers comment on the excellent progress that they are making. I have enjoyed spending time in Rockets, Moons and Stars joining in with phonics lessons, their enthusiasm for reading is infectious. Mrs Huggett has been to see me sharing her excitement at exploring our outside environment with a group of children from year 1 and recording the impact that the cold weather has had on our plants.

Next week will be another busy week for us with a group of Year 2's representing the school at the Dance Festival and BATIC's got Talent— if your child is attending the latter, tickets are still available.

A message from the Thundersley District Girl Guiding Rainbow Leader - For anyone who would like their daughter to join Rainbows, Brownies, Girl Guides or Rangers please register through the link below. Some Rainbow units take girls from four years old. Sometimes there is a long waiting list, so put your name down now even if your child is only a tot! Girl Guiding is excellent for making friends, learning new skills, team building and most importantly, having fun!
