

Hadleigh Infants and Nursery School

Newsletter No 30 - 19th May 2023

Message from Mrs Fynn

At last, this week has brought us some sunny weather which has meant we have been able to get prepared for Sports Day next week. Let's keep our fingers crossed that the good weather continues so that we can all enjoy an activity packed day and picnic lunch.

The children have continued to demonstrate a Growth Mindset this week and I have seen some fantastic examples of work produced. They were also read one of my favourite Growth Mindset stories 'After the Fall' by Dan Santat, if you're not familiar with it I'd recommend a read.

Year 2 have worked on more SATs 'quizzes' and continue to take them in their stride, only one more paper to complete next week. I am so proud of the attitude that they have demonstrated, one child told me this week that she found it "quite a tricky quiz, but I tried my hardest and wasn't going to give up."

Finally, as I'm sure many of you know, this week is Mental Health Awareness week. As a school we place a huge value on the positive Mental Health of our learners and the wider school community. So I'd like to highlight the Essex Local Offer webpage to you, this site can signpost you to lots of different agencies in the local area that you can reach out to should you require Mental Health support for anyone in your family. You can also speak to Miss Hoath for advice on wellbeing support for your children here at HINS.
